Slide on installation

Slide on installation

The drawer is placed horizontally on the runners and pushed into place. The catch automatically locks the drawer into the slides for a secure fit.

Unlatching the drawer

Unlatching the drawer and removing it from the runners is just as easy.

Slightly push the drawer to open and after that press the catches of the runner or slides underneath the bottom panel while pulling the drawer at the same time. When a defined force is exceeded the drawer is released.

Height adjustment

The height adjustment facility integrated in the catch produces perfected front
