BEFORE ASSEMBLY

Thank you for purchasing this quality product. This product has been designed for easy assembly and constructed for durability. Please take the time to read and follow the assembly instructions carefully.

Power LAF Zero G Recliner P2

Part List

When unpacking, please be careful not to discard any parts with the packaging. Before continuing, please make sure you have the following parts:

No	Description	Sketch	Qty
A	Body		1 PC
B	Back Cushion		1 PC
C	Plug Transformer		1 PC

Step 1

1. Remove the transformer (C) from the bottom of the Body (A).
2. Remove the velcro patch securing the power connection cable.

Step 2

1. Install the Back cushion(B) into the Body (A) by positioning the female metal receiver brackets over the male metal posts. Ensure that the female metal receives brackets on each side line up with the seat metal posts. Push the backrest down until each side is locked into place and an audible "click" is heard.

2. Connect the headrest power cord located at the bottom of the backrest to the corresponding cord located at the back of the seat body. Make sure the locking latch is firmly closed to avoid loosening during use.

Entertainment Tilt Console with Wireless Charger

Part List

When unpacking, please be careful not to discard any parts with the packaging. Before continuing, please make sure you have the following parts:

No	Description	Sketch	Qty
A	Body		1 PC
B	Back Cushion		1 PC
C	Threaded Rod		2 PCS
D	Knob Nut		2 PCS
E	Plug Transformer		1 PC

Step 1

1. Remove back cushion (B) from the back of body (A).
2. Remove transformer (E) from the storage box on the top of the body (A).
3. Unscrew the knob nut (D) from the console backrest (B).
4. Install the Console back cushion by aligning the Threaded Rods (C) on the backrest with the pre-drilled holes in Body (A). Ensure the threaded rods are properly aligned with the holes, then firmly press the backrest downward into position. From the rear of Body (A), install the Knob Nuts (D) onto the threaded rods and tighten them clockwise until the backrest is securely fastened.

1. Begin sectional connection by placing the pieces in the desired location in the room. Connect the pieces together using the brackets on the sides of each piece.

Connection#1:

Connection#2:

Connection#3:

Connection#4:

Remark:

- 1. Armless Recliner connection cable used to connect to LAF or RAF seat.
- 2. Attach the flap to the seat frame by pulling the flap down, and pressing the bottom under the seat base, connecting the velcro.
- 3. After all connectors have been properly connected, plug the DC power adapters for the LAF, RAF, and Console units into a power outlet. For the Armless Chair, connect the AC power cord to a power outlet after the power adapter has been connected. Once all connections are complete, the chair is ready for use.
